

FC9 HAZELWOOD MARSH BREACHING AND FLOODING OF GOLF COURSE December 2013

5 out of 9 holes of Aldeburgh Golf Course were totally flooded. It looks as if the greens made good ponds so that could be expensive to repair.

River course 3rd green

Hazelwood Marsh January 2014

Hazelwood Marsh remains totally flooded as at end of January 2014 with two complete breaches which empty on low tide and fill on high tides.
