EXPLORE THE 'GEDGRAVE CORNER' AND A TOUR OF PINNEY'S SMOKEHOUSE

Friday 7th September

10.00am assemble at Orford Car Park for walk followed by a light lunch

This is an opportunity to walk the far corner of the Gedgrave area, a four to five mile circuit, much of it on the top of the river walls overlooking Havergate Island and Butley Creek, without having to do the full 8-10 mile circuit involved if we walk from Orford jetty.

Soon after passing Butley Ferry, we will be welcomed by Bill Pinney who will conduct a short tour around his Smokehouse explaining the process which produces such delicious oysters, mackerel and many other foody delights.

Meet at the far end of Orford Main Car Park at 10 am near Orford Sailing Club entrance. We will then take all of us in as few cars as possible to park at Gedgrave, by kind permission of Greenwell Estates. We will do a circular walk around the Gedgrave end of the estuary. As we will be walking along on the sea wall opposite Havergate Island, there should be a variety of birds to see, so bring your binoculars! At the end of the walk we will return to Orford Sailing Club where by kind permission of the Club, we will be able to enjoy a ham/cheese and salad lunch whilst overlooking the River Ore and across to Orfordness.

Dogs are welcome (please bring water for them to have en route), but they will need to be on leads for most of the walk. The walk is approximately 4.5 miles.

If you prefer not to walk, please do join us for lunch.

£12.50 per person for walk and/or lunch (see Notes below)
