

Come and find out more...

Engineers from the East Suffolk Water Management Board, working on the **Upper Alde & Ore Estuary Embankment Improvement Project**, will be available at a drop-in and Q&A session on the Snape flood defences. They will be joined by representatives from the Environment Agency, the Alde & Ore Community Partnership, and the Alde & Ore Estuary Trust to share updates on the plans and progress.

Project
Presentation
5:45pm

7th April 2025, 4pm– 6:45pm
Snape Village Hall, IP17 1RN

We look forward to seeing you there!
